Denison Campus Governance Association

**Dear Members of the Class of 2010,**

**I am very excited to welcome each and every one of you to your first year here at Denison University. I can remember when I was in your shoes. I was filled with a wide array of emotions: excitement, nervousness, and fear, all at the same time! But very early in my Denison experience, I found out that Denison was extremely welcoming. Although my time has been filled with laughter and tears, I have enjoyed each and every moment here at Denison. As I sit here and write this letter to you, I simply can not imagine having gone anywhere else.**

**As you embark on the next four years of your college experience, I ask that you make the best of your time here. Each of you are amazing individuals with so much potential and I want you to enjoy yourself and make Denison a better place because you came here. Attending a school like Denison opens the doors to so many possibilities. You will each have the opportunity to join over 160 organizations, hold leadership positions and truly leave your mark and create a legacy here at Denison. I ask that you get involved and make the best of your experience. Upon graduation you will see how valuable your Denison experiences have been and understand the many wonderful opportunities Denison has provided. I hold so much pride in this campus and I trust you will too! I look forward to meeting all of you as classmates and friends. I hope that each of you enjoy your time here at Denison as much as I have.**

**With Best Regards,**

**De'Von McRavion**
